# 70

The year of 2023, Korea, Republic of.

ART-WRITING KIM JAE-HEE

Enemy spotted.  
50 meters.  
12 o'clock!  
Unarmored vehicle!

FRANGIBLE  
ROUNDS LOADED!  
READY TO FIRE!  
PERMISSION  
TO...!

WHAT ARE  
YOU DOING? JUST  
SHUT THE HELL UP  
AND SHOOT!

Woo-  
hoo!

Whoa

Hey!

We're not  
here to fuck  
around! Stay  
focused!

Airight,  
we're flanking  
right. Keep us  
covered!

Let's move  
corporal

Yes  
sir!

Haaa...

Come on... Show yourself...

Where are you...?

Haa...

Haa...

There!

CRASH!

CRASH!

Pieces of shit!

Eat this!

Shit!

Woo Seong-Hoon... What the hell?!

Shit!!

Goddamn it, Private! You're supposed to cover us!

I told you to keep your eyes open!

Hey! You hear me?

This is  
CDC squad  
leader...

SMACK

Where is your  
team leader?  
Why are you  
picking up?

© 1991 CDC/Capitol Defense Command

Sorry  
sir...I've been  
shot...

Our team  
leader's been  
shot, too...

God damn it  
soldier! Talk  
straight!

Alpha  
Lead, this is  
Alpha One.  
I've been  
hit.

These  
guys are profes-  
sionals.

They were fast  
at firing with just iron  
sights, even with a  
gas mask on.

Luckily the  
round ricocheted  
off my scope but my  
scope is shattered  
and my earlobe's  
been ripped.

Not  
long after  
my spotter  
was hit.

Fortunately there isn't much damage to his organs but his magazine shattered into shrapnel. I couldn't stop the internal bleeding.

Goddamn it, Alpha One, we are not taking any more risks

Ariel support from the Myanmar Air Force will arrive within 10 minutes. Until then we'll change our plan and work on securing the package and staying alive.

That's a negative, Alpha Lead.

10 minutes is more than enough time for them to get away. The wounded soldier is an issue...

But more importantly, there's not enough time for the President.

Let me finish these bastards off.

If you  
can buy me  
some time, I'll  
make my way  
to a vantage  
point so I can  
blast these  
pricks.

I also  
owe you  
one.

This is  
the best thing  
to do.

...You  
bastard...

Alright,  
Final! Let's do  
this!

Hyung-  
joon, when I  
count to three,  
you're going to  
pour everything  
you have on ve-  
hicle number 3.  
Can you do  
that?

You need  
to be quick  
and accurate.  
You make sure  
those fuckers keep  
their heads down.  
...You've had  
live firing exer-  
cises before,  
right?

Ready  
when you  
are!

Alright, on  
the count of  
three! One,  
two, I

...Three!!

CHOI  
JEONG-WOO-!!!!!!  
QUICKLY-!!

Boom

\*The 707 or 707th Special Mission Battalion is a unit in the South Korean Special Warfare Command (SADC). This refers that Choi used to be in the 707th before joining JSOC.

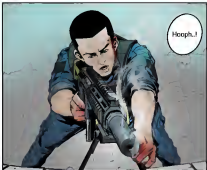

Goddamn  
it Choi... I'll  
haunt you for  
the rest of  
your life!

Alpha Lead,  
this is Alpha One.  
Hell of a timing,  
huh?

Timing  
my ass... Now  
we're even.

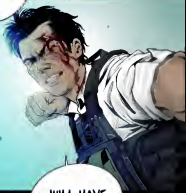

**CRASH!!**

What do you think you're doing? You filming a movie?

Sorry, but it looks like your mission for the Dear Leader...
